The Parties hereby submit this Fourth Joint Status Report regarding the settlement process and documents as referenced in the Third Joint Status Report (ECF No. 64). On December 4, 2020, the Parties explained that they anticipated the filing of Plaintiff's Motion for Preliminary Approval within 30 days, which is January 4, 2020. The Parties have been diligently working to prepare the settlement documents and plans for administration, including the notice forms and benefit distribution proposal. Due to the need for information from the mini-bond registrar and the Parties' ongoing efforts on the settlement documents and plans, the Parties need additional time to finalize the settlement documents. The Parties anticipate Plaintiff will finalize the motion for preliminary approval and accompanying settlement documents by January 11, 2021.
